Dear Sir, Madam

At the moment, I write my PhD at the European University Institute (EUI), Florence dealing with the relationship between competition policy and standardisation regarding the Internet. In my thesis, I focus on the competition aspects of formal standard-setting issues as well as de facto standards.

I have tried unsuccessfully to find the US v Microsoft US Court of Appeals for the District of Columbia Circuit decision of 27 June 2001 on your website.

I would be most grateful if you would send me a copy of the decision or tell me where to find.

Your sincerely,

Jurian Langer
